### WORK EXPERIENCE

**01/04/2022 – CURRENT** Wolfsburg, Germany

**Planning Engineer (Conveyor Technology - Bodyshop area)** Volkswagen AG (FSE)

**Planning of conveyor technology**

Planning, preparing and realisation of projects mainly *in bodyshop area and connecting conveyor technology.*

**Projects management:**

Integration of new vehicle models into existing conveyors systems including extension and modification of conveyors systems (elektrical overhead monorail system and skid conveyor systems)

**01/07/2019 – 31/03/2022** Mosel, Zwickau, Germany

**Planning Engineer (Conveyor Technology - Paintshop area)** Volkswagen AG / Volkswagen Sachsen GmbH (FSE)

**Planning of conveyor and automatisisation technology**

- planning, preparing and realisation of projects mainly *in paint shop area and connecting conveyor technology*
- cooperation with all plant departments to reach project targets (budget, schedule, quality) and satisfaction of intern customer

**Part of projects:**

- Building of high-bay storage with 3 new rail-guided stacker cranes between bodyshop, paintshop and assembly line with adaptation of existing conveyor systems and technology
- New skids supply and skids modifications
- Extension of high-bay storage (Alley 4)
- New skid conveyor connection (Full-Flexibilisation) between old and new high-bay storage for connecting assembly lines with new conveyors-feedline

**14/12/2014 – 30/06/2019** Bratislava, Slovakia

**Planning Engineer (Conveyor Technology)** Volkswagen Slovakia

**Planning of conveyor and automatisisation technology**

- planning, preparing and realisation of projects mainly *in connecting conveyor technology*
- cooperation with all plant departments to reach project targets (budget, schedule, quality) and satisfaction of intern customer

**Projects management:**

- Extension of high-bay storage with new rail-guided stacker cranes between bodyshop and paintshop with adaptation of existing conveyor systems
- Skids modifications with preparing of manual control gauge
- Move of Finish-Rubberband
- Disassembly and scrapping of conveyor technology in bodyshop

**Part of projects:**

- New skid conveyor bridge between bodyshop and high-bay storage
- Extension of high-bay storage (after paintshop)
- New skid conveyor connection (bridge and tunnel) between high-bay storage after paintshop and assembly line
- Extension of Finish (Assembly line)

**01/03/2013 - 14/12/2014** Senec, Slovakia

**SQA Engineer (Quality engineer for suppliers)** Lear Corporation

**Supplier Quality Assurance Engineer**

- Evaluation and developing reliability of suppliers product quality
- Solving problems with non conform delivered parts
- Secure production line and ensure conform parts - communicate with suppliers and request of sorting actions
- Checking all points of open 8D for Quality notices in internal Supplier quality tracking system (SQTS) and checking identification of root causes and permanent corrective actions for open problems with delivered parts of all plant suppliers
- Managing of Quarantine stock and work with stock system BPCS
- Evaluation of suppliers on weekly and monthly bases - creating RPPM reports and internal reports
- Revision of documentation and files, checking records, creating of Cost recoveries for suppliers (financial chargeback for quality nonconformance)
- Adjustment of Incoming inspection, creating incoming control plans
- Revision status of PPAP documentation, revision and approval od PPAP
- Achieving department targets (Supplier PPM, financial chargebacks)

**01/11/2011 - 15/01/2013**

**Head of Production and Service Division** ATRIMEX, spol. s r.o. - AVIA trucks, Superwinch, Masterlock

**Repairing of truck vehicles and production of specialized superstructures, winches and another constructions**

- Responsibility for materials and services, Allocation of work for employees
- Supervision of safety compliance at workplace
- Checking the quality of work
- Order of spare parts, the control of the production cost for individual contracts, Provision of necessary equipment
- Filling Time sheets and Statements of material by employees, Preparing documents for billing
- Communication with customers and subcontractors
- Diagnostic of vehicles (work with Cummins software for motor diagnostics)

**20/04/2010 - 13/10/2011** Kosice, Slovakia

**Company establisher** EK TRADE, s.r.o.

**Establishment of company** during University

- Providing sales and bar services (DisArt bar)
- Documentation creation, Processing documents for payroll and accounting system
- People management
- Implementation of Quality Management System according to ISO9001 (Thesis)
- Creation and maintenance of website

## EDUCATION AND TRAINING

**01/09/2009 - 30/05/2011** Košice, Slovakia

**Quality of Production Engineering** Technical University

**Faculty of Mechanical Engineering**

**Thesis:**

- QMS implementation in services according to ISO 9001

25/09/2006 – 30/05/2009 Košice, Slovakia

**Industrial Engineering** Technical University

**Faculty of Mechanical Engineering**

Bachelor thesis:

- Methods and techniques of modeling and creating physical 3D models for production devices and systems

02/09/2002 – 30/05/2006 Košice, Slovakia

**Computer Systems** Secondary School of Electrical Engineering

## LANGUAGE SKILLS

**MOTHER TONGUE(S):** Slovak

**Other language(s):**

**English**

<b>Listening</b> B1	<b>Reading</b> B1	<b>Spoken production</b> B1	<b>Spoken interaction</b> B1	<b>Writing</b> B2
------------------------	----------------------	--------------------------------	---------------------------------	----------------------

**German**

<b>Listening</b> B1	<b>Reading</b> B1	<b>Spoken production</b> B1	<b>Spoken interaction</b> B1	<b>Writing</b> B1
------------------------	----------------------	--------------------------------	---------------------------------	----------------------

**Czech**

<b>Listening</b> C1	<b>Reading</b> C1	<b>Spoken production</b> C1	<b>Spoken interaction</b> C1	<b>Writing</b> C1
------------------------	----------------------	--------------------------------	---------------------------------	----------------------

**Polish**

<b>Listening</b> A1	<b>Reading</b> A1	<b>Spoken production</b> A1	<b>Spoken interaction</b> A1	<b>Writing</b>
------------------------	----------------------	--------------------------------	---------------------------------	----------------

*Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user*

## ADDITIONAL INFORMATION

### Skills

#### Digital Skills

- Bentley MICROSTATION
- Pro/Engineer 4 Wildfire
- HLS (Basics)
- SAP
- Microsoft productivity software (Word, Excel, Powerpoint, Visio, Project) / Open Office
- Adobe Photoshop
- HTML, CSS, Wordpress

#### Other skills / Trainings

- Microstation training (2015)
- Certificate of APQP and PPAP (2013)
- Certificate for work with diagnostic software Cummins Insite for Cummins engines (2012)

- Certificate of competency to perform activities of epidemiological importance in the production, handling and marketing of foods and dishes (2010)
  - Karate coaching course - Trainer of 3rd Class (2009)
-
